Re: *Israel Gamero, et al. v. Koodo Sushi Corp., et al.*,  
1:15-cv-2697 (KPF) (SN) (S.D.N.Y.)

Dear Judge Failla:

Defendants Koodo Sushi Corp. and Michelle Koo (collectively, "Defendants") and Plaintiffs Israel Gamero, Norberto Mastranzo, and Oscar Sanchez (collectively, "Plaintiffs") request a brief extension of the current discovery deadline.

There have been no prior extension requests since discovery was reopened. As the Court is aware, the Court allowed renewed discovery on June 7, 2016, and ordered that discovery "be reopened for a 60-day period, during which Defendants may (i) serve the limited discovery requests appended to their letter motion, and (ii) depose one Plaintiff." Order, ECF No. 46. The Court further ordered that Defendant Koo respond to all previously served interrogatories and documents requests and be made available for a deposition. *Id.*

Discovery is scheduled to close on August 8, 2016. The parties have met and conferred several times during the current discovery period, and are working amicably together. However, due to scheduling conflicts and the volume of documents potentially responsive to Plaintiffs' requests for production, the parties have been unable to set a mutually agreeable date for the depositions of Plaintiff Sanchez and Defendant Koo. Therefore, the parties jointly and respectfully request that the Court extend the discovery period through August 19, 2016. We do not believe that this request requires the extension of any other deadlines in this matter. Thank you in advance for your consideration.

Respectfully submitted,

  
Raquel A. Gutierrez
